

## INVESTIGATING

**Read John 9:13-34.** How did the Pharisees stray so far from the meaning of the Sabbath? (*Mark 2:23-27*) Why was the Pharisees' investigation destined for failure? What did the blind man say that really set off the Pharisees? Is it possible to be a disciple of Moses and not Jesus?

Why are they discussing His identity instead of the miracle?

## SPIRITUAL BLINDNESS

**Read John 9:35-41.** Why did Jesus say that He would make those that see blind? Why was Jesus so harsh with the Pharisees when He was so accepting of others? Jesus says that if the Pharisees were blind, they would not be guilty of sin. What blindness is He talking about?

## LIVE WHAT WE LEARN

Spend some time thinking about your own spiritual sight. Do you have some blind spots? What is blurry and what is perfectly clear? Share your thoughts with others as opportunity presents itself.

## MAIN POINT

Jesus gave us ample evidence to prove that He is God.

## ICEBREAKER

What are some experiences you have had with mud?

## ASKING WHY

**Read John 9:1-12.** Why did the disciples question Jesus about the blind man? Why did Jesus heal the blind man the way that He did? What is the relationship between sin and suffering? What questions do you need answered?

How do you feel about the man being born blind so the power or work of God could be seen?
